Lockers/drawers

Lockers will house coats and PE kits and children will be able to keep their book bags in their table desk.

On rainy days children will dry coats on the back of chairs rather than placing in lockers.

Each class will be allocated a lunch trolley for packed lunch cases.

Chrome Books

Year 3

The Year 3 children have regular access to the Chrome books.

They will be used across the curriculum to support teaching & learning.

Each child will be set up with an account, and taught how to manage this responsibly.

Year 4

The Year 4 children will be allocated a Chrome book each. They will be responsible for it throughout the school day.

It will always stay in school and will be used across the curriculum to support teaching and learning.

At times the children may be set homework tasks requiring them to use the different Google programmes used in school. They will be able to access these using their individual Google accounts.

Learning to learn week

As a school we will be starting the new academic year with a Learning to Learn Week. The purpose of this week will be to familiarise the children with learning and behaviour expectations, as well as exploring the key skills of:

- CARE
- Independence
- Collaboration
- Problem Solving

During the week, the children will be engaged in a range of fun and engaging activities to develop their knowledge and understanding of these skills which we feel will help to nurture positive attitudes towards learning.

Finally...

Partnership is key and we look forward to working with you next year!

Have a great summer and see you on Tuesday
4th September.
